BUTE COMMUNITY LAND COMPANY
(A company limited by guarantee)
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 SEPTEMBER 2014

Related Parties

During the year Bute Community Land Company paid subsidiary Bute Forest Ltd £3,215 (2013: £26,351) to complete development work on the forest in line with their charitable activities. There was no balance outstanding at the year-end (2013: Nil). During the year Bute Community Land Company paid £1,917 to Bute Forest Ltd for Christmas trees. There was no balance outstanding at the year end (2013: £Nil). An amount of £1,900 (2013: Nil) was due from Bute Forest Ltd in relation to the sale of Christmas Trees.

Objectives and Activities

Bute Community Land Company has been formed to benefit the community of the Isle of Bute as defined by all postcode units within postcode district PA20, with the undernoted objectives to be exercised following the principles of sustainable development (where sustainable development means development which meets the needs of the present without compromising the ability of future generations to meet their own needs).

The charitable objectives of Bute Community Land Company are:-

- To manage community land and associated assets for the benefit of the community and the public in general.
- To provide, or assist in providing recreational facilities, and/or organising recreational activities, which will be available to members of the community and the public at large with the object of improving the conditions of life of the community.
- To advance the education of the community in regard to its environment, culture, heritage and history.
- To advance environmental protection or improvement including preservation, and conservation of the natural environment, the maintenance, improvement or provision of environmental amenities for the community and/or the preservation of buildings or sites of architectural, historic or other importance to the community.

The principal activities of the Company in the period under review were:

- The wind down of the permanent office functions as a cost cutting measure. We saw the departure of Ben the forester to a new position in England and funding for Emma Cooper's post as BFL manager came to an end. Emma is now a director of BCLC. We also welcomed Boyd Hale Alexander on to the Board.
- Events – More events continued to take place in the forest with the usual mix of fun and educational themes. Peoples Postcode Lottery Fund, Volunteer Action Fund and Forestry commission Scotland. Over 4500 visitors to the forest were recorded throughout the year.
- Biodiversity – Forestry operations continue to have an impact on the forests flora and fauna. There are now a wider variety of plants and bugs to be found in and around the areas where the Sitka spruce is being thinned. The pond in the work area is starting to see a slow spread of plants within and there is greater diversity in the life we find when pond dipping. There are more birds and rodents in the area thanks to the efforts of the forestry team in keeping the bird feeders full during the colder months.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 SEPTEMBER 2014

Objectives and Activities cont'd

- The development of a forest centre continues with exciting new ideas being introduced by the team of consultants funded by the Big Lottery Fund under the direction of the board and ultimately directed by the residents of Bute through focus groups and community wide consultation.
- The operation of a small sawmill in the Forest has continued currently implemented by a wholly owned subsidiary company, Bute Forest Limited, which was incorporated on 23rd December 2010., and commenced trading on 1st March 2012.

Volunteers

The group acknowledges the significant assistance provided during the year by volunteers, who assisted in the operation of the charity and raising public awareness of its objectives.

Fundraising Activities

The principal source of funding during the year consisted of grants received from The Highlands and Islands Enterprise, the Coastal Communities Fund to develop the Stage 2 bid.

Investment Performance

The group's funds are held on deposit in bank accounts. The funds are held on deposit as they must be easily accessible. The low return on investment is acceptable given the need to ensure easy access to the funds held on deposit as they are required to fund the group's ongoing activities.

Financial Review

Reserves Policy

The Unrestricted reserves as of 30 September 2014 are £33,943. The charity's policy is to have reserves equal to approximately 3 months operating costs to cover their commitments as they fall due. 3 months worth of costs based on current expenditure levels would equate to around £5,300. The Trustees therefore currently hold reserves above their target.

Trustees' responsibilities

The trustees (who are also directors of Bute Community Land Company for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:-

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on a going concern basis unless it is inappropriate to assume that the charitable company will continue on that basis.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the provisions applicable to companies subject to the small companies regime of the Companies Act 2006.

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
BUTE COMMUNITY LAND COMPANY

I report on the accounts of the charity for the year ended 30th September 2014 which are set out on pages 7 to 16.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanation from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention:-

1. Which gives me reasonable cause to believe that in any material respects the requirements:
 - To keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - To prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulationshave not been met, or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

BUTE COMMUNITY LAND COMPANY
(A company limited by guarantee)
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 30 SEPTEMBER 2014

1. Accounting Policies

a) Basis of preparation

The financial statements have been prepared under the historic cost convention and in accordance with the Statement of Recommended Practice – Accounting and Reporting by Charities (SORP 2005) issued in March 2005, applicable UK Accounting Standards and the Companies Act 2006. The principal accounting policies adopted in the preparation of the financial statements are set out below:

b) Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognized when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has been included in these accounts.
- Investment income is included when receivable.
- Incoming resources from charitable trading activities are accounted for when earned.
- Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Income is only deferred when

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

c) Resources expended

Expenditure is recognized on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates:

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the fees for external scrutiny and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage.

1. Accounting Policies (continued)

d) Taxation

The company is a charitable company within the meaning of Section 467 of the Corporation Tax Act 2010. Accordingly, the company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 of Part 11 of the Corporation Tax Act 2010 and section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that such income or gains are applied for charitable purposes only.

e) Tangible fixed assets and depreciation

Tangible fixed assets are capitalized, including any incidental expenses of acquisition.

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life. Items of equipment are capitalized where appropriate.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant & Machinery	-	20% reducing balance
-------------------	---	----------------------
